### Sale Begins Saturday, January 8. 13 DAYS Bargain Giving Feast For SPOT CASH

When we promise you a Bargain Feast you are sure to get all we promise and more too. This time we are not only promising more than ever before, but we intend, as in the past, to do a great deal more than even our broadest statement leads you to expect. The time is now ripe for a clearance sale and we intend to make it the most decisive clearance sale we have ever held. We have chosen the present time for several reasons, but mainly because it was the end of the weaving season for the mills and they had accumulated great piles of Loom End Remnants that our buyers were fortunate enough to buy at a great deal less price than the actual cost to manufacture them, and then it is almost time for our spring stock to begin coming in, we want to close out all winter goods to make room for them, and to offer them now while they are strictly seasonable thereby giving our customers and friends a chance to buy merchandise that will be in demand for months to come at a price in many cases below the cost of the raw material. In every case the price asked is far below the actual value of the goods at this time. This is an opportunity that you will not probably get again in the near future, as the price of all raw material is advancing and goods of all kinds will be higher. If we cared to do so, we could by buying these goods and putting them away until next season sell them for more money in a regular way. However, we don't carry goods over from one season to another and its a fact (of which we feel justly proud) that we offer patrons nothing but goods of the present season's production. That's why we say you cannot afford to miss this genuine bargain giving offering. We are talking to the live ones now. If by any chance this should be read by someone who does not care for a saving here and a saving there, in other words "If you are dead," please pardon us. Don't come to life on our account. But if you are interested, and in these times every one should be interested in saving a part of their income, come in and look us over. Be consistent. Study your own interests. Give us an opportunity to show you a clean cut saving on each and every item you need. If you don't find the goods and prices just what you want, then we won't expect your patronage.

## My Cross.

[The following sublime beautiful poem was quoted by Rev. Dr. Scanlon, at the First Presbyterian church, Richmond, Ky., at the morning service Jan. 2, 1910, and it is well worth preserving.—Editor.]

A heavy cross to bear along the road,  
I staggered on, till, lo, one weary day  
An angry lion leaped across my way.  
I prayed to God, and swift, at His command,  
The cross became a weapon in my hand.  
It slew my raging enemy, and then,  
I leaped upon my back, a cross again.  
I followed many a league, until at length,  
Groaning, I fell and found no further strength.  
I cried—"O God, I am so weak and lame,"  
And swift the cross a winged staff became.  
It swept me on till I overtook my lion,  
Then leaped upon my back again, a cross.

Flashed a dart, on its burning track  
I still preserved the cross upon my back.  
No shade was there, and in the burning sun  
I sank me down and thought my day was done;  
But God's grace works many a sweet surprise,—  
The cross became a tree before my eyes.

I slept, and woke and had the strength of ten,  
Then felt the cross upon my back again.  
And thus through all my days, from that to this,  
The cross, my burden, has become my bliss.  
No shall I ever lay my burden down,  
For God shall one day make my cross my crown.

—Amos R. Wells, Editor Christian Endeavor World.

## Mean Business.

Estill County Citizens Form  
Commercial Club and Will  
Push to Front.

Our good neighbor, Estill county, has awakened to the fact that within her borders lie resources sufficient to make her foremost in the business column of Kentucky, and has organized a Commercial Club to bring out these advantages and put on foot plans by which these great resources may be developed. In the Herald, of last week, appeared an article urging commercial action, and setting forth the fact that "in nature there is strength." Every citizen of that upland county should read the Herald's article, and, if they will take the advice set forth therein, our sister county will soon be enjoying the enormous business she should have and for which she is so amply stocked with available and valuable resources. We trust the Herald will continue this effort, and that the citizens will get together and make old Estill what she should be in the commercial world.

Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. It invigorates the entire system and strengthens the kidneys and thereby eliminates the uric acid from the blood. Backache, rheumatism, fever and bladder troubles are all cured by the use of this medicine. (Continued on page 10.)

Lock No. 12 Completed.

Lock No. 12, just above Irwin, has been completed and slack water now extends about fifteen miles above that city. There remains some work to be done, but the job is practically done. The Estill Herald says since closing the dam, about fifty thousand tons have passed over and the reaction of the water keeping them under the dam for several days in some instances, wrought great damage. Some fine logs were literally worn out before getting out of the gorge.

Right now is the most dangerous time for free. Protect yourself against loss by having Direct & Smith place you in a reliable company.

Every Mother  
If a mother should be worried when the little ones have a cough or cold it may lead to croup or pneumonia or pneumonia—then to something more serious. Ballard's Cough Syrup will cure the trouble at once and prevent any complication. Sold by Perry & Thomas.

## The Meanest Man in Town

is the one who always wears a frown, is cross and disagreeable, and is short and sharp in his answers. Nine cases out of ten it's not the poor fellow's fault, it's his liver and indigestion that make him feel so miserable, he can't help being disagreeable. Are you in danger of getting into that condition? Then start at once taking Ballard's Tablets for your liver—the safe, sure and reliable vegetable regulator. Sold by Perry & Thomas.

## To Help Local Option.

Representative H. C. Edwards has introduced a bill in Congress to prevent the shipment of liquor from one state to another, that is from wet to dry countries. If this is passed, it will shut out the shipment of booze from Cincinnati into this locality, thus cutting off the chief source of supply. Such a law would stop the mouths of those who claim, but who do not really care, that prohibition does not prohibit, at least it would cause disastrously near doing it.

Dan's Regulate cure constipation, tone the stomach, stimulate the liver, promote digestion and appetite and easy passage of the bowels. Ask your druggist for them. 55c. a box.

## Acting the Hog.

Hogs are "acting the hog" in price just now. At Chicago Friday they reached the enormous price of \$9. At Pittsburgh they went to \$8.20. With the exception of a short period in 1882, when swine sold at \$9.32 per hundred weight, the hog has not been seen here since the Civil War. Continued intense cold impeding transportation and an apparent hesitation of producers to market their hogs are the principal causes of the abnormal advance.

Late-type coughs are dangerous, as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough, but heals and strengthens the lungs so that no serious results need be feared. We do not know of a single instance where a cough or cold resulted in pneumonia when Foley's Honey and Tar had been taken. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package. Sold by Stockton & Son.

Tickets given with every bundle of laundry at the Normal City Laundry—entirely free to citizens on the plan. Greatest offer of the day. Look into it. j-lm

## Too Much Free

You feel as if you had one far too many when you have Neuralgia Don't fret! Save the face, you may need it; but get rid of the Neuralgia by applying Ballard's Sore Liment. Finest thing in the world for rheumatism, neuralgia, lumbago, stiff neck, lame back and all pains. Sold by Perry & Thomas.

"Mound City Paints may cost a little more, but—! Stockton & Son."

## It is a dangerous thing to take a

cough medicine containing opiates that merely stifle your cough instead of curing it. Foley's Honey and Tar soothes and cures the cough and expels the poisonous germs, thus preventing pneumonia and consumption. Refuse substitutes and take only the genuine Foley's Honey and Tar in the yellow package. Sold by Stockton and Son.

## Save Your Hogs.

How can you afford to take chances against disease which are liable to wipe out your entire herd at any time? A few doses of Bourdon Hog Cholera Remedy protects your hogs against disease and makes them grow and fatten. Sold by Perry & Thomas.

For indigestion and all stomach troubles take Foley's Orino Laxative. It is the natural remedy for indigestion, dyspepsia, heartburn, bad breath, sick headache, torpid liver, biliousness and habitual constipation. Foley's Orino Laxative restores the stomach and breath, and tones up the entire alimentary system. Mrs. F. G. Fritze, Oneonta, N. Y., writes us: "My little girl has had great benefit from Foley's Orino Laxative. She has taken only three or four small bottles, and I think it is one of the greatest stomach and liver remedies there is." Sold by j-lm

A railroad wreck near Chicago last week, revealed several curious facts about the conduct of the railroad companies. The shells came from the manufacture of paint barrels. The case was reported to the National Pure Food Commission. Well-known people were made principals of baled hay or shavings in the case. The case was reported to the National Pure Food Commission. The death of the old Mrs. Green, for chief clerk of the Senate, is greatly regretted by many newspaper friends in the state. Mr. Keller has done a lot of good work for his party, both in person and through the columns of his paper, the *Richmond Climax*. Mr. Keller, however, is a man who will not sink in his old age, but will continue to battle for his party just the same as though his old services were rewarded.

A fellow has figured out that he will have two double holidays again this year. Memorial day and July 4th are both on Mondays. This will be of great benefit to the fellow, as he will be able to observe both holidays on the same day. The fellow has figured out that he will have two double holidays again this year. It is in the hope of the Legislature will grant the right of women to vote in school questions, the measure for which a fight is being made by several prominent ladies in Kentucky. The women are now more closely school work than men, say they, and it is only right that they should have a voice in the management of our schools. This question has been put before the people, and the women have shown their interest in it. The women are now more closely school work than men, say they, and it is only right that they should have a voice in the management of our schools.

The Lexington Gazette suspended publication Wednesday afternoon, after a fight to make a third day paper in that city. During the past year the Gazette has been edited by Col. W. P. Walton, one of the best-known newspaper men in the state, and his brilliant and aggressive work was of inestimable benefit to the Democratic party. We do not have any personal fondness for Col. Walton to run away with us when we say that his suspension is a great loss to the party. The Climax is glad to note a marked improvement in the condition of Mrs. Mary English, who has been ill for some time. She is at the home of her sister, Mrs. Ben Banks.

Plenty of fresh air, sleeping out-doors and a plain, nourishing diet are all good and helpful, but the most important of all is Scott's Emulsion. It is the standard treatment prescribed by physicians all over the world for this dread disease. It is the ideal food-medicine to heal food-poisoning, to feed the lungs and build up the wasting body.
